## Cameron Champ

### Quick Quotes

**Q. Cameron, 7-under 65 to get to 15-under and get yourself in the mix heading into the final round. How would you assess that round today and the situation that you're in?**

CAMERON CHAMP: Yeah, again, today went solid. I've been driving it well. Today I felt like the iron play was a little bit better, and even when I got out of position, I was able to get it on the green.

I think I made two birdies, maybe three from the rough.

Then I've been putting it well.

Like you said, I think everything today kind of came together. It was nice and smooth. Like I said, I just felt like I had control of my ball, and then on the greens I've been confident.

**Q. Coming back here, you won your first title here in 2018. I think you shot 64 in the third round that week when you won.**

CAMERON CHAMP: Yeah.

**Q. When you come back here, obviously you must have good vibes, good thoughts, having had a victory here.**

CAMERON CHAMP: I do, yeah. I love the golf course. Obviously if I can drive it well here, it definitely sets me up, and I've been able to do that so far.

Today I think I finally took advantage of that. The first two rounds -- the first day, I felt like I didn't make as many putts. Even yesterday was kind of iron play and chipping around the greens. I hit some decent shots in front of par-5s and just into-the-grain chips I kind of struggled with those yesterday, but today I was fine.

If I can just do that, kind of go about my day like I did

today, we'll just see where I stand after.

**Q. You became a father recently. How has that adjustment been for you and your wife?**

CAMERON CHAMP: Yeah, it's been a blessing. It's also been learning how to run on two to three hours of sleep. He's going on 10 weeks now, but yeah, it's been amazing. He's definitely been a true blessing. Brings a different perspective on things.

Right now, it's been fun. It's been tiring, but I think all the positives oversee all the negatives that come with a newborn. Yeah, we're excited just to see him grow and see what happens.

**Q. You came into this week No. 145 in the FedExCup. How do you look at this FedEx Fall as an opportunity for you to move up?**

CAMERON CHAMP: Yeah, like you said, I think I'm in a good space right now. The game has been good. It's just a matter of allowing myself to be able to play and kind of just get out of my way.

This week it's been a nice fresh kind of start, and like I said, just try to play my game, and I know if I do that, I'll be perfectly fine. This game is already hard enough, so we definitely don't need to make it harder on ourselves.

**Q. Is your intention to play pretty much everything in the fall or sort of see what happens in the next few weeks?**

CAMERON CHAMP: Yeah, my intention was to just keep playing. I wouldn't see myself taking much off, especially with the schedule.

I'm just going to go out there the same as I have this week and just stay within myself, play my game, and hopefully we get some good results.
