### Quick Quotes

**Shriners**  
Children's Open™ 

**Q. I know that you were in great position, a little disappointed with the finish, but you're right there, last week you came from behind, so overall you got to feel pretty good heading into Sunday?**

SAM BURNS: Yeah, I feel like game's in a good spot, so go out there tomorrow and see what happens.

**Q. You hit a lot of good putts that didn't go in, did that get a little frustrating?**

SAM BURNS: No, I just think late in the day the greens, it's not quite rolling as well as they were early in the day, so hopefully those will go in tomorrow.

**Q. Will it take awhile to get over, do you have any disappointment on how you finished?**

SAM BURNS: No.

**Q. Take any time to think about it?**

SAM BURNS: No.

**Q. What were you thinking when you got, you took the lead, do you even think about taking the lead there?**

SAM BURNS: Not really.
