Q. First of all just recap your week for us if you could.

CHAD RAMEY: Overall it was a great week. I had got myself into position, I can't ask for much more than that. I just I got off to kind of a weird start. I had one bad swing, got a little bit of a bad break, made double and then just kind of got into a little grainy area over there on 7 and kind of didn't assess it probably the way I should have. So that will always leave a bad taste in my mouth. But ball striking, other than that one bad swing on 3, I mean, I hit it really well, so there's a lot of good things to take from the week and that's what I'm going to do.

Q. And then I have to ask you about Sungjae's round today.

CHAD RAMEY: I mean it was, he deserves it, that's for sure. I mean he hit it well and his putter got hot. It seemed like if he wasn't making pitches it looked like they were going in. I mean it was impressive and it was fun to watch.
