Shriners
Children's Open™ 

Q. Andrew, bogey-free 64, nice third round for you. If we can get some comments.

ANDREW PUTNAM: Yeah, I finally played the front nine pretty good. I was a couple over my first two rounds, so happy to get off to a good start.

Back nine is there for the taking, and played really solid. Hit a lot of fairways.

I feel like I could have gone a little bit lower. I hit a bunch of edges with my putts, but I'll take it.

Q. Talk about your season up to this point, some solid play. Sort of take that hopefully to the next level next week?

ANDREW PUTNAM: Yeah, I've been playing good. I've been playing good golf for the last couple months, so I've been on a good streak, and hopefully just keep building on that and keep playing like I did today.

Q. You've played this event five or six times; you know it typically takes a lot of birdies. Talk about your goals for the final round.

ANDREW PUTNAM: Yeah, I've always seemed to like coming here. I've been in the final group a couple times, and you've got to make a lot of birdies. Obviously last year I think I was close to the final group coming down Sunday, and you shoot 1-under or something, you just get lapped. You know going into the final day you've got to shoot 7-, 8-under, and thankfully played good enough today that if I have a really good day tomorrow, maybe I have a chance. We'll see how everyone else finishes up.
