Quick Quotes

Q. 9-under today. 10-under for the week. Talk about the day. Nice bounce back.

SAM BURNS: Yeah, I think overall played pretty well. I was able to get the par-5s today and I think that's kind of key to this golf course. So over the weekend I think that's important and we'll try to maintain that.

Q. Tell me how you go into tomorrow after a big round like today.

SAM BURNS: Yeah, I think just kind of reset. I won't be maybe within three or four of the lead, still chasing, so I think really just having a good game plan, going out there and trying to execute.

I think this golf course if you drive the ball well you can get some scoring clubs in your hand and just have to convert.

Q. Lots of pretty scenes out here kind of a casual vibe. How much does that help you on a week like this?

SAM BURNS: Yeah, it's hard to get frustrated out here when you look out and you see the ocean and the mountains. It's a beautiful place and just extremely grateful to be here.
