## Patrick Cantlay

### Quick Quotes

**Q. 6-under, 67 here in the second round. What's your level of satisfaction with what you were able to do today?**

PATRICK CANTLAY: Yeah, I played great today and got absolutely nothing out of it. I don't think I made a putt outside maybe 4 or 5 feet. That just means my game's in a good spot and I'm well positioned for a good weekend.

**Q. You talk about the process, doubling down on everything you achieved a year ago. What's the process for the next two days here?**

PATRICK CANTLAY: Yeah, same as the first two days. Yesterday I putted well and hit a little iffy, at least for nine holes, and then today I hit it really well all day.

So if I can match the two together I should be all right.

**Q. What was going well out there and what do you want to change heading into the weekend?**

PATRICK CANTLAY: I don't want to change anything and I hit the ball really well today and didn't get much out of it. But hopefully I can hit the ball well this weekend and get a little bit more going with the putter.
