### Quick Quotes

**Q. Bogey-free 64s are nice. Get some comment the on your day?**

VAUGHN TAYLOR: It was an interesting day. I was lucky to not make a bogey today. I hit a couple squirrely shots but hit some good shots as well and putted nicely. All in all, first round of the year, I'll take it.

**Q. Take me through the eagle on No. 9.**

VAUGHN TAYLOR: Yeah, hit a good drive. Just squeaked it inside that left bunker and I caught the rake and had a funky lie. I was in the bunker, ball above my feet, and just choked way up on a 7-wood and hit a great shot to 15, 20 feet and hit a good putt, dead center. It was nice.

**Q. Conditions out there today?**

VAUGHN TAYLOR: You know, it's fairly benign. I mean, the wind's not blowing too hard which usually is the defense, but you know, there's some good pins, some easy pins, and a good mix of holes. So all in all, course is in great shape. Looking forward to the weekend.
