## Nick Taylor

### Quick Quotes

**Q. Nick, final round 65. Just get some comments on today and the week as a whole.**

NICK TAYLOR: Great weekend. Had it going there on the front nine. Slight misread on 9 for that eagle putt which would've really got the round going I feel like. I felt like I was just trying to chase Russell down all day.

Hung in there. Nice to finish with a birdie to end off the week.

**Q. And then what does this do for your momentum heading into the next few events?**

NICK TAYLOR: It's great. Last week was a little bit of rust shaken off. I've played well here so I had confidence, so it's nice that game is pretty sharp here going into next week.
