Quick Quotes

Q. Harry, 65 today, 11-under total. Just some comments on the round to start.

HARRY HALL: Yeah, I had a great finish, staying patient out there today. It's obviously blowing a good amount. Yeah, I played really solid, didn't make any mistakes like I did the last couple days, and I think I just made one bogey today, which in this wind that's pretty good.

Q. Talk us through the finish, four birdies in the last five holes.

HARRY HALL: Yeah, stiffed one on 14, made a big 40-footer on 15, had a great drive down 16, had a flick into that and hit it to eight feet, made the putt. Good par on 17. That's playing pretty tricky. Then 18, hit the middle of the green and two-putted, so finished off really nice.

Q. It looked like you were seven for seven scrambling today. How important has getting up-and-down this week been for you?

HARRY HALL: Yeah, yesterday especially I can think of ones on 1 and 2, so my 10th and 11th hole kept me in the day. I think if I missed those up-and-downs, I go from being three off the lead to on the cut line. It's obviously a jam-packed leaderboard, and hopefully this round put me right in it for tomorrow.

Q. What's the mindset for tomorrow?

HARRY HALL: I think the last few times I've been in contention, I've put a little bit of pressure on myself and had like a goal in mind to get to, and I think tomorrow I'll just be a lot more patient, probably take the pressure off my shoulders, and go out there and try and just do one shot at a time.
