Q. Back-to-back 67s. Tell us about today's round.

ERIC COLE: Yeah, overall it was pretty good. It was I think the windiest day so far today, the way it felt out there. For the most part, I was in control of the ball a lot of the day. Could have shot lower, but I think that's kind of the case a lot of times around here.

Q. With it being the windiest day so far, what adjustments did you have to make throughout the round?

ERIC COLE: Yeah, it was tough. I think they forecast like east northeast wind, but I felt like it was bouncing around quite a bit, especially when we were making the turn like 8 through 12, so getting the yardages was a little tough, but caddie did a good job and we got a few of them right, so that's good.

Q. What's the mindset going into tomorrow?

ERIC COLE: Just keep doing what I'm doing. Hopefully have another good day ball-striking and get in contention on the back nine would be great.

Q. What would it mean to break through and get that victory?

ERIC COLE: Yeah, it would be awesome. I think it's been a big goal of mine since my rookie year, honestly, and I think the more times I'm in contention, the more likely it is to happen. I think if I keep putting myself here, then hopefully I'll get over that hurdle.

Q. Is it tough not to think about winning and try to concentrate on the final round?

ERIC COLE: Yeah, I think it's always in the back of your mind. Winning is just such a great thing. It comes with so much. It's what you want to do; you want to win.

It's always in the back of your mind, but I just kind of try and remind myself that the only way to win is to keep doing
