

# Sony Open in Hawaii

Saturday, January 17, 2026

Honolulu, Hawaii, USA

Waialae Country Club

## Chris Gotterup

### Quick Quotes

**Q. Chris, what was the most difficult part of the conditions today and how do you feel like you handled your game out there today?**

CHRIS GOTTERUP: I would say putting today was probably the toughest. Obviously hitting shots in this wind is hard, but it's hard for everyone.

I think late in the day some of the greens get a little tough after everyone has walked on them. Not that they're in bad shape but when it's blowing 25 off your left and you got a left-to-righter, it's not easy to make anywhere, and especially here.

I felt like I hung in there well. Definitely got frustrated out there a couple times and tried to screw my head back on and get back at it.

**Q. How do you do that? What is your process when you get a little bit frustrated? How do you get yourself back on track?**

CHRIS GOTTERUP: You know, part of the caddie job is part-time therapist, and Brady has been good at getting me back into a good spot for what's coming up.

Hole 12 today had 110 in and made a bogey. I was not feeling too good about myself after doing that. You know, I got to get my frustration out, but then, all right, back to where we need to be.

You know, kind of finished strong coming down the stretch.

**Q. What was the best part of your game today?**

CHRIS GOTTERUP: I don't know. I feel like I did a lot of good stuff. I mean, I feel like I drove it relatively well considering the conditions.

I feel like I just played pretty smart. You know, couple mistakes here and there but you're going to make a mistake or two with this wind.

I don't know, I feel like we just have a good game plan of what we're doing out here. Hit a lot of different clubs off different tees all week.

Yeah, being confident with what we're doing.

**Q. What's your biggest focus tomorrow to hopefully hoist the trophy at the end of the day?**

CHRIS GOTTERUP: Just stick to the game plan and keep my head screwed on straight and making sure I'm hitting good quality shots in this wind.
