## Patrick Rodgers

### Quick Quotes

**Q. Patrick, outstanding week. Closed it off with a 65 today. Just get some comments.**

PATRICK RODGERS: Yeah, I played great today. By far my best of the week. Felt like I controlled the ball really well tee-to-green. Obviously the conditions were more benign for probably the first 10, 11 holes, but it was kind of back to the normal breeze there at the end.

I controlled my ball great and gave myself tons of chances. Unfortunately didn't have a hot putter today.

**Q. It's not over yet though. Chris has a couple-stroke lead with a couple to play. What's your plans here over the next 30 minutes?**

PATRICK RODGERS: Yeah, I'm never rooting for anybody to play poorly coming in, but I'll be ready just in case. Yeah, I was focused on my process today and put as many good holes together as I could and was trying to make enough birdies to get up there and catch him.

**Q. Finished off the season in contention and now in contention here again. How good does that feel to start the year off?**

PATRICK RODGERS: Yeah, it's nice to have some continuity in my game. I feel like I was battling for a lot of last year and finally got my game into a place where it was showing up in competition.

So it was almost like with where my game was you almost didn't want a break, so it's nice to pick up where I left off. Had some amazing time at home and got some awesome, consistent time with my kids and my wife, and that always makes you feel good starting the year.

**Q. What's your schedule look like over the next few weeks?**

PATRICK RODGERS: Yeah, I feel like anyone who didn't finish inside the Top 50 it's quite busy here to start the year trying to Signature Events.

And I love playing on the west coast. Obviously played there in college. Yeah, I'm excited about every opportunity. I'm going to play a pretty heavy load.
