## Si Woo Kim

### Quick Quotes

**Q. Another great round today. You're leading this tournament. Just talk about what went right for you.**

SI WOO KIM: It was a great start again. I started birdie on the first hole. Second hole it was an easy par-5. I didn't get any advantage on the first two par-5s, so that makes me a little nervous and a little anxious. But I did okay. Then I ended up a good par on No. 9. So I think that helps gets me going. I think it was a great round, especially when it was tricky winds.

**Q. You ran into a little bit of trouble on 3, but then you bounce back right after with three birdies. Talk about your head space on that hole.**

SI WOO KIM: It was tough hole. Pin's all the way left back. The wind's off the left. The yardage was like 195. That's not an easy shot. So I just trying to hit to the green and then trying to make some good 2-putt. But it doesn't 2-putt, so it was a little, it makes it a little uncomfortable. But it was really good. It was great to be back.

**Q. The other day you talked about trying to find your rhythm with putting. You mentioned the tough winds at Sony and then the wind picked up a little bit here. Did that affect you at all today or did you feel like you were in rhythm?**

SI WOO KIM: No, I think it was much better than last week. I putted great the last two days, so that helps me. It was a little windy still, but it wasn't like last week, so that helps me. I think it's getting used to it for the wind, so I was not really comfortable though.

**Q. Tomorrow you're going to be in the final group. What's the game plan?**

SI WOO KIM: I'm just going to try to have fun with Manny, my caddie. And then, am I playing with Scottie?

**Q. Not right now, but maybe.**

SI WOO KIM: Okay, yeah. Hopefully playing with Scottie,

and we can have some fun. Just not thinking about trying to win or trying to finish, just enjoy the round. That's my goal.
