## Adam Hadwin

### Quick Quotes

**Q. Just your thoughts on your round today and how the course might have played differently today versus the first two rounds.**

ADAM HADWIN: I'm honestly not sure what to think. As I left my caddie there, he said, "pretty good playing to finish 1-under," and I kind of looked at him and said, "I have no idea how we ended up shooting 1-under today." Honestly it kind of felt like I just woke up. It was a bit of a whirlwind out there. I hit it all over the place, putted it off the green like three times today. One of those days.

**Q. Was the course playing different today than the first two days?**

ADAM HADWIN: I don't think it was much. The greens maybe just a hair firmer than they have been, but honestly, pretty similar wind to what we've seen the first two days, and I don't think it's much different. I definitely saw a couple good scores out there. Cam turned one in earlier. I think it's out there if you hit good shots, but this course always has a way of sneaking up on you when you don't.
