Quick Quotes

Q. Three rounds under par after Day 1. Can you summarize your week?

ADAM HADWIN: Yeah. A bit of an awkward start, I guess, today. Tough lie in the bunker on 5 and didn't get the next one. I told myself at the beginning of the day I was just going to try and stay patient and just pick target and make golf swings today and whatever happened happened, and tested my patience a bit early but it was nice to bounce back with a chip-in on 6 and made some nice putts.

Got on a roll there 9 through 12, and it feels disappointing to end with a bogey on 16, but it is what it is, onward, upward, and we'll keep working.

Q. What about the conditions today?

ADAM HADWIN: Yeah, pretty much the same. I think, again, some of the greens got a little firmer. I think some of them stayed softer. Really depends on where you land, into the grain, downgrain, that sort of thing.

You know, I think another good score is out there today. Just got to -- again, it's a tricky place when you get into some wrong spots. But if you're hitting it well you're going to have a lot of chances.
