Quick Quotes

Q. Thoughts on a long day out there, the weather and more to come.

KEVIN KISNER: Yeah, the ball's going nowhere, but it's calm, so it's good. You've got to really be aggressive with your iron shots to make sure you're hitting enough club for the spin, and getting the ball on the fairway is paramount so you can get your hand on it.

Q. What's the mentality now? Seem like the weather's getting worse and worse, but you've got to be ready to go?

KEVIN KISNER: I'd rather play now than tomorrow when it's blowing 30. That's what I'm hoping for.

Q. What's working well with your game?

KEVIN KISNER: Just kind of greasing it really. I'm not hitting it awesome. I hit some great shots and some really terrible shots.

Q. 20 minutes to go. What will you do, quick bite?

KEVIN KISNER: Quick bite, get over there and hit a couple, and head out.
