## Daniel Berger

### Quick Quotes

#### **Q. How would you describe this whole day?**

DANIEL BERGER: It's been a long day, but I got off to a good start and rolled some putts in, and looking forward to getting out there tomorrow and playing some more good golf.

#### **Q. Were you able to put yesterday's round behind you?**

DANIEL BERGER: Yeah, yesterday was one of those days where you felt like you could have shot 85, but you really have to reset and get your mind right for the next day, and I feel like I did that, and I've been patient today and just got to continue that tomorrow.

#### **Q. What's the biggest key for you tomorrow knowing it's going to be a long day, trying to win the biggest championship on the PGA TOUR?**

DANIEL BERGER: Yeah, one shot at a time. I know that's cliché, but that's kind of really how it goes and just kind of focus on controlling what I can control and be patient because it's a lot of golf tomorrow.
