Quick Quotes

Q. After the second round when you started the third round, did you have an idea that you could do this, or was it a matter of you felt good where your game was?

SEBASTIAN MUNOZ: I felt good where my game was. Just kind of hanging out in the locker room with the guys, they were just kind of throwing numbers, and I was like, yeah, maybe they're achievable. I started hot, and I just kept plodding along, and it was a good one.

Q. Numbers as in scores you thought could be shot?

SEBASTIAN MUNOZ: Yeah, yeah, they were just kind of messing around with, if 2 plus gets in, a couple 64s can do something. I don't know, kind of just stuck to my head.

Q. Did you see a 64 out there?

SEBASTIAN MUNOZ: I could have made one more putt, but I mean, I'm really happy where I am.

Q. When you look at the way your game has been trending the last few weeks, solid finishes, was there a level of confidence coming into this week that maybe you didn't have before?

SEBASTIAN MUNOZ: Yeah, I agree. I've been hitting the ball really good. I've been improving my putter. I've been improving the way my shot selection. So all those factors have contributed into having a little more confidence in my game and thus far this week.

Q. You don't have a lot of experience on this golf course. Are you comfortable on the course?

SEBASTIAN MUNOZ: Yeah, I like it. I only played one round in 2020 and then two in 20 -- so I'm doubling up, one, two, now four, so that's good.

Q. Any part of your game that seems to be working well this week?

SEBASTIAN MUNOZ: I'm driving the ball good. I've been

good with my speed on the greens, which has been like an issue in the couple last weeks.
