Quick Quotes

Q. What's the most interesting thing you told them (the Norwegian-speaking media)?

VIKTOR HOVLAND: Not much.

Q. What did you hit on 8?

VIKTOR HOVLAND: I hit a 4-iron.

Q. The eagle on 2, can you just go through that?

VIKTOR HOVLAND: Yeah, that was my last hole yesterday. I hit a 3-wood in the fairway, and I kind of had some mud on the right side of the ball. I kind of had to aim right edge of the green or even right of the green, and it just hooked perfectly towards the pin, and I probably left myself 20 feet and made that before we stopped play yesterday.

Q. Do you feel like you're back in it now?

VIKTOR HOVLAND: If I would have made the putt on 9, as well, to get to 5, I would have felt a lot better. But I've been playing really well the whole week. I just haven't really been able to capitalize on any putts.

Maybe if I get a few putts going early and maybe start blowing in the afternoon and gets a little shaky, then maybe, but got a lot of work to do.
