Quick Quotes

Q. 63, tying the course record. Talk about your round a little bit.

DUSTIN JOHNSON: Yeah, just played solid really. Rolled in a few putts there starting on -- made a nice putt on 18, and then another nice one on 1, 2, and then 3. Obviously to pitch it in on the last was definitely a bonus.

It was a tough week. I just made too many mistakes, from the fairway, too. It wasn't even when I got out of position. I hit too many bad iron shots from the fairway.

I've got a little work to do still on the game, but obviously it's in there, just need to get it a little more consistent.

Q. Is it kind of cool to be part of holding the course record here at TPC Sawgrass?

DUSTIN JOHNSON: Yeah, it's always good when you can tie a course record or shoot a course record. I would have liked to have -- to be in contention and having done that would be a lot better.
