## Russell Henley

### Quick Quotes

**Q. 6-under 65. Nice round. Just get some comments if we can.**

RUSSELL HENLEY: Yeah, I had a really hot first nine, which is the back nine. A lot of birdie opportunities on that side with the par-5s, drivable par-4. So took advantage of those.

And then front nine, I didn't really hit it that bad. It's just a little harder, you know, one less par-5, and finish with a 3-putt. So kind of disappointing finish, but I'm really happy how my game feels and it was fun to get out there for a little bit.

**Q. Take us a through the eagle on 13.**

RUSSELL HENLEY: Yeah, I just hit a little cut drive down there and it was a little downwind at the time, and hit a hybrid on. I got a nice bounce and just tried to get about a 30-footer close and somehow went in.
