## Adam Scott

### Quick Quotes

**Q. Good finish, birdie at the last, 5-under 66 today. Just a few comments on what you felt especially good about this week.**

ADAM SCOTT: Yeah, slow start but kind of played really nicely for the last three days. I'm most pleased with my ball-striking really kind of coming back to where I want it. I feel like it's been a while since I could say that. That's a good feeling, obviously, going into next week at Riviera, a tournament I love, a big event on our schedule, and a course where you really need to hit the ball well to have a chance.

**Q. Lastly, with the sponsor exemption into next week, obviously a place you've enjoyed a lot of great success, how much can this carry over hopefully to next week at Riviera, to a place you're so fond of?**

ADAM SCOTT: Yeah, well, I'm very grateful for the chance to play at my favorite event of the year really on TOUR. I've had good results there. I feel my game is in good shape, so I have a lot of positive energy going there. Looking forward to it.

I'd love to do a little better and get in contention and try and win there for a third time.
