## Rasmus Hojgaard

### Quick Quotes

**Q. Rasmus, good way to finish, especially momentum building into tomorrow. Can you take us through those last couple holes and what that does for your mentality?**

RASMUS HOJGAARD: Yeah, I was playing well today. Tee to green, played great. Then 15, first real bad tee shot today and it goes in the water. I was being a bit aggressive trying to get there in three and save my par, and hit another one in the water.

Made a mess of 15. Got away with a good double bogey in the end. But yeah, I had to reset walking into 16 because that's obviously a different atmosphere.

Yeah, it was nice to play the last three holes well.

**Q. What is it like being in contention out there on a Saturday, just knowing the atmosphere that this tournament creates? What's that experience like?**

RASMUS HOJGAARD: It's what we all try to do. We just try to embrace the crowds and how loud it is.

It was good today. I really enjoyed it.

**Q. How does it feel to be in contention in such a popular event this early into your rookie year?**

RASMUS HOJGAARD: It's good. I've played well the last couple weeks, so it's nice to see that it just keeps going into this week. It's good to be in contention.

**Q. What was it like making the cut with your brother and being able to have him in contention, as well?**

RASMUS HOJGAARD: It's good. We kind of feed off each other a little bit. If one of us is playing well, usually the other one comes back and plays well straight after. It's nice to hang out with him again, and I'm sure he's ready for a low Sunday, as well.
