Quick Quotes

Q. Will, what has this week been like for you?

WILL CHANDLER: It's been wild. It's been good. Started off in the Monday and then played the tournament, played a lot of golf, and I love the atmosphere out here. It's awesome.

Q. How do you change your mind when it's like, okay, first up is Monday into the event and then make the cut? Talk me through what the process has been like.

WILL CHANDLER: Golf is golf. I'm very much playing golf the same way day in, day out. Sometimes the results are better than other days. You just plug along and keep doing your thing and wait for those good moments.

Q. Obviously you are in your early career right now, but today was a testament to what a long day on the PGA TOUR can be like. How do you prepare yourself mentally and physically for a day like this?

WILL CHANDLER: It's tough; I had some experience with this in college golf and Korn Ferry TOUR golf. You know what it's going to be. It's going to be an early wake-up. It's going to be a long day. But I know I'll sleep good tonight for sure.

Q. What's been clicking with your game this week?

WILL CHANDLER: Probably course management. Everything is fine. Putting is fine. Chipping is fine. Swing is fine. Thinking my way around the course, playing a little bit smarter, picking better targets.

Q. You've obviously heard about what this tournament was like. Now that you're here, has it lived up to what you expected?

WILL CHANDLER: I love it. I feel like I'm at a football game, which I love, and I'm playing golf, which I love to do. It's like a win-win. It's awesome.
