Quick Quotes

Q. Daniel, solid week, runner-up. How do you feel about the week?

DANIEL BERGER: Yeah, I drove it well today. I drove it well all week and I tried to just do my best to put pressure on him, but every time I felt like I made a birdie, he made one back. He was playing really great golf today, and he was deserving to win this.

Q. Qualifying for the Genesis, what will it mean to go back to Torrey Pines next week for a Signature Event?

DANIEL BERGER: I'm excited. I haven't played in a Signature Event. It was a nice feeling. I asked for a sponsor exemption into Pebble Beach where the last time I played it I won, and two years in a row I didn't get that exemption, so it kind of was a little chip on my shoulder to get it done without needing anyone's help, so I'm excited to go back.

Q. What do you like about Torrey Pines and how does that suit your game?

DANIEL BERGER: The best I played there was at the U.S. Open when it was really tough, so hopefully it's tough again. I saw a couple weeks ago when we played it, it was very difficult, so excited to go back.
