Quick Quotes

Q. 7-under 64, excellent start. If we can get some comments on your day.

JONAS BLIXT: First of all, I just want to say that I had a really good group, some good people in my group and just had a nice stroll out there.

And, you know, when you play a good round you take advantage of the par-5s and you hit a couple in close and stay out of trouble. And that was pretty simple. I mean, some days golf is easy and some, a lot of times it's really hard.

Q. Best round of the day here at this golf course, what was it that was working so well for you?

JONAS BLIXT: I think I just hit a few iron shots really well, just a few wedges really well and took advantage of those and stayed out of trouble. Pretty easy conditions, considering this golf course, and so it was nice to take advantage of it.

Q. What was your mindset coming in, this is typically the golf course where you can make up some ground here on this tournament, just comment about what your mindset was and now as you head on to the other courses?

JONAS BLIXT: Well, honestly, I've been struggling badly for awhile and just trying to free it up and play loose and not be too hard on myself when I hit bad shots. And, you know, golf goes up and down and it's nice to have a good round in the bag and try to feed off that.
