Quick Quotes

PATRICK CANTLAY: Obviously the lead's a little ways away, but there's a lot of golf left, it's only halftime?

Q. And looking forward to Pebble Beach tomorrow. Thoughts on that course, a good fit for you?

PATRICK CANTLAY: Yeah, Pebble Beach two days in a row, which is always nice. We should get another couple days of great weather, some of the best I've seen at this tournament, so Pebble will probably be ripe for scoring. It will be a little firmer than maybe some other years, so depending upon how firm the greens are I think that will determine how low the guys shoot.

Q. You mentioned the weather, how does that impact -- like you said the lead is a little bit further away, how does, how do the conditions affect your chances of catching that lead?

PATRICK CANTLAY: Well, I'm not so worried about the sole leader, per se. I mean, I'm right there with the rest of the group of guys and like I said it's only halftime.

So I still would be surprised if he continues to run away and extend that lead, so I'm just going to keep trucking along.
