### Quick Quotes

**Q. How much confidence from your play this week can you take into next week at THE PLAYERS Championship?**

COREY CONNERS: A lot. I did a lot of things really well. This week I hit the ball really well and, yeah, it's another demanding golf course next week, a course I really like, so, yeah, lots of good stuff, good feelings heading into THE PLAYERS.

**Q. How would you characterize today? You had a string of pars there until the back.**

COREY CONNERS: Yeah, I was looking to get a little more out of the round, maybe. Just couldn't quite get the putts to the hole today. They didn't quite have the same fire I don't think they had yesterday. And I was rolling it great, just came up a little bit short on a number of my birdie tries.

**Q. You're able to secure a spot in the Open Championship, how cool is it to snag one this early?**

COREY CONNERS: It's fantastic. I think it was the only major that I wasn't qualified for yet and it feels awesome to get my spot there. There was a little question mark on my summer travel plans because of that, but I'm excited to get back to Royal Portrush, really liked playing there in 2019.

**Q. What you did feel like you did well this week that you hope translates next week at THE PLAYERS?**

COREY CONNERS: I think my ball striking was really strong, I think I putted quite well. Most of the days I was hitting my lines. And, yeah, got a lot of freedom with my iron play, hit a lot of great shots this week, and I think that will be important to continue next week.
