Quick Quotes

Q. Daniel, I know you're disappointed with the result, but talk a little bit about the perspective that you have now coming back from so many different injuries and being in the hunt here on the 18th hole having a chance to win at Arnie's place.

DANIEL BERGER: Yeah, I mean, I'm proud of myself. Obviously it didn't go the way I wanted it to, but at the start of the week if you told me I would have a chance on the 18th hole to win Bay Hill, I would be ecstatic with that. So a lot of positives, a lot of things to learn from.

Q. Talk about what confidence that you can gain from this experience heading into a really important part of the schedule.

DANIEL BERGER: Yeah, I think my game is sharp. Clean a few things up here and there. But it's tough to win. It's tough to battle. But I feel like I did a good job, and a shot here or there was the difference.
