Quick Quotes

Q. What was the key for you today?

LUKE LIST: Didn't make too many mistakes. I think we both played okay, I feel like we weren't scoring the best, but it's tricky to make a lot of birdie out there.

I kept it in front of me and I think that putt on 13 was a big putt, just to have that one to never really relinquish the early 1-up lead at any point was good.

Q. Talk about the wind, because you have either 25 miles per hour down wind or 25 miles per hour into your face.

LUKE LIST: Yeah, I thought it was a little more gusty today as far as the consistency, but it was blowing a lot yesterday, so I think that it prepared us a little bit better for the conditions out there today with the same direction.

Velocity is only going to pick up this afternoon. It's tough out there. (Wind noise).

Q. Only day one, but with the win you had earlier this year how much did that play into this tournament and the mindset?

LUKE LIST: I hadn't played great since the win, been fighting a little bit of an injury, but I got a really great caddie and he was really positive and kind of us just, we were having fun a little bit, took some pressure off today.

I'm definitely the underdog, Justin's a great player and he played well last week and he's gotten the better of me in the past so I wanted to get one on him.
