BROOKS KOEPKA: I do pretty well on tough golf courses.

FastScripts by ASAP Sports

Q. How would you assess your match today?

BROOKS KOEPKA: I thought I played pretty solid. Eric played really well. Both played solid golf. Just happened to play a little better.

Q. Do you get locked into a little bit differently for match play than stroke play?

BROOKS KOEPKA: Yeah it's a little bit different, depends on what the guy does. Obviously you try to play the correct shot, whatever that might be and then the situation sometimes where you just play more conservative or you change up the game plan, got to be more aggressive because you need something or whatever the case may be. But it's sometimes dependent on where you're at in the match.

Q. Couple guys talked about the conditions today being a little tricky. The wind pick up, die down get strong. Did you find it similar out there?

BROOKS KOEPKA: Yeah, a little bit. It's just nice to play a tough golf course. For whatever reason the golf course setups we played lately have been quite easy, so it's nice to play a little tougher golf course.

Q. Are you saying that Sawgrass was set up easy?

BROOKS KOEPKA: No, conditions were obviously a little bit different, but I mean every golf course we played lately has been kind of soft and very gettable. I mean, you go out Thursday, it was extremely gettable, I mean just conditions.

But yeah, I mean I thought Tampa was kind of set up a little easy. I don't know, it's kind of been a little bit of a theme over the last eight months.

Q. You would like to see them a little tougher?
