Quick Quotes

Q. The eagle at 16 was pretty clutch for you at that moment.

MACKENZIE HUGHES: Yeah, it was big. I mean the match, I would say for the first, I don't know 11, 12 holes, didn't have much going on. I made a really nice save on 12, hit it in the water, good up-and-down for par. He didn't get up-and-down for birdie. That was kind of some momentum swinging there because then the next hole he made a bogey from just off the green, I won one there. So I think I picked up some momentum from that hole and yeah I was just fortunate to come away with the W.

Q. Tomorrow you take on Matthew Wolff. You got to win that one and hope Max can beat Dustin Johnson, so a lot going on in your group tomorrow.

MACKENZIE HUGHES: Yeah, that's out of my control but I'll just go try and have another good match against Matt. He's a great player so it's going to be another tough match.

Q. You looked good there the last few holes, I think you have something going.

MACKENZIE HUGHES: Yeah, I definitely kind of found something there at the end, so that was nice. I felt like yesterday with D.J. that one could have swung either way pretty easily. So game's getting better, getting a little close, so that was nice to see a result there.
