Q. How pleased are you with this win?

JUSTIN SUH: You know, it was interesting because I thought we both hit it decent, but I thought putting-wise we both missed a lot of putts. It wasn't one where it was an exciting match.

But to get a win over Hideki is always an honor. I always tell him after I played with him it's always an honor to play with him. I know how big of a deal he is. I grew up watching him. It feels good to get a win after today.

Q. Does this sort of give you a chance going into tomorrow?

JUSTIN SUH: Yeah, a little bit. I mean, I don't know how Max and Kevin finished up, but I think -- you just never know. I think we're still in it.

Q. Four U.S. Junior Amateurs that you played in; how much does that experience in match play come in to aid you when you're playing in a tournament for the first time?

JUSTIN SUH: A bit. I mean, it's been a few years since I've played match play. I think the last time I played was at the U.S. Am at Pebble. Yesterday was just a weird feeling because mentally it's a little different, strategically it's a little different. But I thought today we kept it easygoing, didn't push anything, just tried playing our game, and luckily came out with a win.

Q. You had a great Florida Swing, THE PLAYERS Championship, Honda. How much are you just keep things going from Florida?

JUSTIN SUH: I've been playing really well. I've been having some good finishes. This is my sixth week, so it's mentally and physically a little fatiguing, but after this week no matter what happens, I'm ready to take a few weeks off.
