Quick Quotes

Q. Unfortunate to play the 18th twice, one time you didn't get to putt your birdie because Scottie Scheffler made a birdie before you even putted here yesterday. What a wonderful 18th hole for you and what a wonderful victory. You have one point; still got a chance of moving on.

DAVIS RILEY: Yeah, for sure. I knew today it was win or go home, so nice to get a win today and move on into tomorrow.

I'm going to need a couple things to go my way, but I got a chance.

Q. Absolutely. Scottie Scheffler has two points, you have one point, Tom Kim has one point. You're playing Alex, who has already been eliminated. All you can do is win your match and see what Tom Kim does, correct?

DAVIS RILEY: Yeah, for sure. I feel like my game is in a good spot. I haven't particularly putted my best the last two days, but tee-to-green feel like it's pretty solid, and so hopefully I can get some putts to go in tomorrow and make a run for it.

Q. Scottie Scheffler has been so dominant, people forget that he had to win a playoff in order reach the round of 16. So you're very much alive. Win your match, see happens.

DAVIS RILEY: That's right. Goal tomorrow is win and see what happens. We'll try to do that.
