Quick Quotes

Q. Just some comments on your round today?

MICHAEL KIM: Yeah, just overall really solid round. No bogeys, which is always nice. I was able to keep things pretty simple I feel like, and another really solid round. Hopefully I have a decent chance going into the weekend.

Q. What is specifically working well for you in your game?

MICHAEL KIM: Off the tee has been really nice for me this week. Whenever I feel good off the tee, I feel like my game fits in really well. I've been driving it really well, staying aggressive to my spots, but nothing too crazy. Just a really solid round.

Q. You're one of two players in the field right now without a bogey this week. With that, can you speak to how conditions may have been different yesterday to today?

MICHAEL KIM: Yeah, it's definitely a little bit windier today, and also the direction was a little tricky to figure out at times. It would kind of throw here and there, which is why I think it was a little bit tougher than yesterday.

But I feel like I did a pretty good job, and hopefully keep it going tomorrow.
