Quick Quotes

Q. Solid week, in the top 20 right now. What will you take positive from this week?

MAX HOMA: I drove it really well. I don't know, game felt good. I feel like I learned a lot mentally throughout the week. Just got to keep doing that.

Q. What's something that you learned mentally?

MAX HOMA: It's hard to pinpoint exactly what it is. It's more like a feeling. Just having a bit more belief and giving myself grace for bad shots, not being such a perfectionist.

Q. TGL tonight, two leagues in one day, what's the routine between now and tonight?

MAX HOMA: Yeah, it's going to be a bit much. It's very late. I don't know, I'm going to pack up all my stuff from here. Got to be over there -- probably got to shower, change, run over there around 6:00 something, and then hopefully we win. We need to win one of the next two at least, so hopefully we have a good night.

Q. When is the last time you would have played two different competitive things in the same day?

MAX HOMA: That's a good question. I doubt I have. I'm sure when I was young I might have got close, but I can't think of it off the top of my head.

Q. Is there anything in the swing that is different? Do you make an adjustment for the TGL swing at all?

MAX HOMA: You swing harder off the tee because it's like a ball speed league, so it's not so good for outdoor golf, but it's necessary there.

But no, not too much. The ball doesn't curve quite as much. You don't do a whole lot different. You just trust your numbers. You don't get to play with your eyes, obviously, so you just trust your numbers and see how good you are.

Q. Are the greens faster or slower on TGL than here?

MAX HOMA: Depends how cold it is. It's odd, but the fibers, I guess, shrink if it's freezing, so last week was cold and fast. Tonight should be normal speed. Probably a little slower there.
