Quick Quotes

Q. Felipe, bogey-free 65 today. Tell us a little bit about your round.

FELIPE AGUILAR: Well, it was a very consistent round actually. I missed one green today. I think that really helps, especially on this course where greens are firm and a little bit slicky. I mean, if you miss it on the wrong side you can really get into trouble.

I'm really pleased today. It was a very solid round. Hit the irons pretty good. Whatever I didn't hit that well I missed it on the right side.

So I'm quite pleased.

Q. Coming into this week did you see a round like this coming for yourself?

FELIPE AGUILAR: Well, I've been playing really good the last couple months since the I qualified. Things need to get together. I didn't play too well the first couple of weeks of this year. We had a couple tournaments back home.

But I think the golf is there. Just need to put it together.

Q. On that note, since Q-School what have you been doing to prepare for this?

FELIPE AGUILAR: I've been, playing a lot. I've been practicing, same thing I did before, which is not much. I've been playing quite a bit. I play four events back at home. I won one of them.

But, you know, it's just a lot of playing. One time I play I think ten rounds in a row just to get rounds in my body and less practice. You know, that was like two, three weeks before coming over, and then slow down a little bit and then get ready for this.

Q. How great is it to be out here on the Champions TOUR?

FELIPE AGUILAR: I'm loving it. Obviously when you play good it's very nice. It's very difficult not to love it. Everything is well set up and I felt very welcome and have a bunch of player coming along and coming up to me and congratulating me for qualifying. Players that I used to follow on television, so I'm very pleased and I'm blessed.
