Quick Quotes

Q. Lucas, excellent start. If we can just get some comments on your round today.

LUCAS GLOVER: Yeah, good solid round. Great start on our first nine, which was the back nine. Then played nice on the front. One good shot that didn't judge the shot right and made a double, but that can happen here at Harbour Town, especially No.4 where it happened.

So very pleased with how I played. I hit the ball nice and made a bunch of putts.

Q. Talk to us about the conditions of the golf course this week and the conditions this morning weather-wise.

LUCAS GLOVER: Golf course is perfect, firm and fast, greens are quick. It's just as firm and as fast as I've seen it on a Thursday in quite a few years.

Not much wind, so a lot of low scores and no excuses.

Q. Little different in June without the fans. How good was it to have fans? They're so important to this tournament.

LUCAS GLOVER: Yeah, it was great. Only a couple got up early enough to see us start, you know, parents and significant others.

Around the turn people started filtering in. It was cool to see. It was probably about time. Fans deserve to see some good golf.

Q. Talk to us a little bit about a new initiative you just announced in Jasper County with donating some money for every birdie. You had six birdies today. Good start.

LUCAS GLOVER: Yeah, that's \$600 to The Sarge, a new initiative the Congaree Foundation has put together to recharge the Sarge.

We've re-branded it and a handful of guys have joined me this week in doing that. \$100 for birdies, \$500 for an eagle.

Just trying to get The Sergeant Jasper State Park Golf Course back up where it should be. There is a lot of history there practice. Just trying to get them to where they can water the golf course appropriately.

So hopefully a lot of the birdies this week will make a difference for those guys over there in had Jasper County golf.
