**Q. All right, Abraham, 5-under on the day, 7-under for the tournament. What are your takeaways from the day today?**

ABRAHAM ANCER: I'm hitting the ball really solid. Always happy with the bogey-free round. I mean, I hit enough to hit it -- to shoot 8-, 9-under today. Just didn't really make any putts.

Except for the 1st hole. I made a nice one there. After that, I went a little cold. Hitting good putts, it really well with my irons. No complaints. Looking forward to the weekend.

**Q. Seems like you've been playing some really consistent golf lately. What do you think is working well in your game right now?**

ABRAHAM ANCER: I just feel comfortable. I like every single club in my bag. I'm hitting the ball well. I haven't done anything crazy, but just playing steady golf. Waiting for that crazy weekend with a lot of birdies.

But just enjoying it.

**Q. In terms of what you've seen of the golf course over the past few days, what are you going to take with you into the weekend?**

ABRAHAM ANCER: Well, looks like there are some birdies out there for sure. There were some good gusts, even this morning. I felt like on Thursday morning it wasn't as gusty as this morning.

If it stays up it's a little challenging, but you can still make some birdies out there. So just put the ball in the fairway and you have some chances.
