**Q. Lisa, talk a little bit about what that moment meant to you and to have the whole family there to see him win this week.**

LISA CINK: Safeway was amazing, but it did feel a little incomplete without Connor with us, so to have our little family unit together was just so special, and our family unit is getting bigger, so hopefully in the future there will be more.

But what's so amazing is this kind of rebirth that Stewart is experiencing and at such an older age. I'm just in awe of how well he's playing at this time in his career, and it just seems like icing on the cake.
