Q. Cameron, how would you assess your round out there today?

CAMERON TRINGALE: Very solid, stayed out of trouble, made a couple putts, and that was about it.

Q. How difficult were the conditions out there? The wind seemed to pick up a little more today than it was yesterday.

CAMERON TRINGALE: We played in the afternoon yesterday. I thought it was windier yesterday afternoon personally, but it's a totally different direction. So the golf course is playing -- the hard holes are playing -- it's totally flipped from yesterday.

Yeah, it's blowing, and definitely controlling your ball is really important out here, especially in the wind.

Q. Would you say it's playing harder because of the wind direction? Is that what you're kind of getting at?

CAMERON TRINGALE: I'm just saying it sort of flipped from yesterday. 1 and 2 were straight down and 3 was down. Those just play a lot different straight in. That's all I was saying. Like 18 was a driver, 5-iron today. It was 3-wood, wedge yesterday. So big difference.

Q. Do you feel like your game is in good shape heading into the weekend?

CAMERON TRINGALE: Yeah, I'd say so. I've sort of got away with some not great tee shots, but I'm hitting my irons really solid and positioning, keeping it in quality position in and around the greens. Making all the putts around the hole. Yeah, I like where I'm at.
