Quick Quotes

RBC *Heritage*

Q. Patrick, obviously not the result you want, but you put up a valiant effort. Just some thoughts on that shot into the bunker there, just explain what happened to us.

PATRICK CANTLAY: Yeah, same number as in regulation and hit a similar shot with the same club. It obviously caught a different wind than what I was expecting. The wind was supposed to be off the right. If anything, a little down, and I must have caught a little burst. Obviously with it plugged like that, it's darn near impossible to get it close.

Q. When did you notice the conditions change a little bit? Did you have two or three holes left when it started to get windier?

PATRICK CANTLAY: It's always windier out at the point. You come out of the woods on 16 tee, and it's usually windier. That's just how this golf course is. 16, 17, 18 are always the windiest.
