**Q. Great round today, up-and-down throughout. Can you talk a little bit about your overall round?**

WYNDHAM CLARK: Yeah, I didn't -- wasn't as sharp off the tee, and then I had some key putts early that I didn't quite make. So it turned into a day to grind.

But I'm proud of myself because I hung in there and ultimately turned kind of a crappy hitting day into a 1-under par round.

**Q. Why do you feel that you had a crappy hitting day?**

WYNDHAM CLARK: Well, I would say my back is looser than it was the day before, so it kind of threw my timing off a little today. So I'm going to go work on it this afternoon because I think my back is getting better. So we'll have a little more speed come the weekend.

**Q. You talked about what you're going to do today. Can you take us through that, what you're doing next, and then throughout the rest of the day?**

WYNDHAM CLARK: I am going to go hit balls, probably 30 to 40 balls, doing a drill that we've been working on. Then get a workout in later today and just relax and hope no one shoots too low.
