Quick Quotes

Q. Really solid round, put yourself in the lead going into tomorrow. How did you play?

SI WOO KIM: I played great. Only missed the last hole, so that's not a big deal. So I play pretty much 35 holes really decent. So I'm not going to worry about the last hole for tomorrow.

Yeah, I'm in a good position. I've been playing good. Especially iron play is really good for this week. Yeah, just one more day left.

Q. That kind of run in the middle of the round, made a lot of birdies. What was particularly -- what were you doing particularly well?

SI WOO KIM: I think I switched irons back to the normal loft. I used to be really strong irons. Yeah, I think that helps more like consistent distance control. So I think that helps me a lot of good iron shots and makes a lot of chance for birdie putt.

Q. And then just can you kind of take me through that 18th hole, kind of how you played it?

SI WOO KIM: I kind of like pulled the tee shot, so kind of like a little tough angle for me, especially to that pin. But it wasn't bad.

Even second shot, I hit it perfectly. I thought it went more. I hit it Thursday, Friday, Saturday, same spot. Hopefully tomorrow I can hit it on the green.

Q. What was your most important shot you hit today?

SI WOO KIM: I think it was No. 15 putt. That was pretty big for me. Even missed the last putt -- even missed the last hole. So I think still in the position. I think it was a good putt for today.

Q. How important was it to birdie the first two holes to kind of get off to a good start?

RBC *Heritage*

SI WOO KIM: It's been a while to play in the final group, so it feels weird. Then a little bit of maybe pressure. Not the pressure, a little bit like feel weird at the start.

I hit a great second shot. I think that helps me more loosen up and then play good for today.
