## Keegan Bradley

### Quick Quotes

**Q. Keegan, nice playing. If we can get some comments on your round.**

KEEGAN BRADLEY: Yeah, played great. Putted really well. Beautiful day around this place. It's in perfect condition and weather is perfect.

**Q. Just talk a little bit about T3 right now; I know you'll be a few back but just your goals going into the weekend?**

KEEGAN BRADLEY: Yeah, I'm in a great spot, playing really well. Tricky golf course, so anytime you shoot in the 60s out here it's good.

**Q. What's your assessment of the work Davis Love did to the course?**

KEEGAN BRADLEY: I think he did a great job. He redid The Grove and did very similar things. Still looks like the golf course. There's no tricks. I think he just made everything a little better.

**Q. How did you feel coming into this tournament after the Masters?**

KEEGAN BRADLEY: Exhausted, yeah. Just tired. At night -- I'm okay, but the Masters physically, mentally really drains you. Trying to conserve as much as I can, but pretty tired.

**Q. Is this a course that you historically have played well on?**

KEEGAN BRADLEY: I've played good rounds out here. I've had good -- a couple low 60s, in there, and then I shoot a couple over, something like that. I've done well here, not as a whole, but some good rounds.

**Q. How much at this point are you thinking about trying to make the Presidents Cup team?**

KEEGAN BRADLEY: It's in the back of my mind. We've

got a long way to go. This stretch here is a big stretch. I'm sort of done worrying about that sort of stuff. I will if it gets serious, but as of right now I'm trying to go out there and play good rounds.

**Q. What have you liked so far in your game this week?**

KEEGAN BRADLEY: Putting really well. Putting the best I've putted in a long time. Really just I've been playing good for the last couple weeks. I played a really nice final round at the Masters, and hitting the ball very nicely, driving it good, and really rolling it nice.
