## Brian Harman

### Quick Quotes

**Q. 63 today. You birdied four out of the last five holes. How would you describe your round?**

BRIAN HARMAN: Yeah, just tried to keep the pedal down. It's going to take a low number to win. The weather is going to turn a little bit tomorrow, so it was nice to get out there with some good conditions.

I'm hoping the wind is going to blow a little bit. Doesn't look like it's going to get up like it did yesterday afternoon. Happy to be in a good spot. Tough start on Thursday. I've battled back really nice the last couple days.

**Q. You said it was really difficult to read these greens. It didn't seem that difficult today. What changed?**

BRIAN HARMAN: Took me a day. Took me a day on Thursday to get them figured out.

We made a little bit of a setup change, and I'm hitting some good putts.

**Q. 8-under is your best round ever here at the RBC. When did you figure out today that, dang, I'm on one right now?**

BRIAN HARMAN: Yeah, I got off to kind of a rough start. Hit a bad shot into the green on 1. Made a nice putt on 2 but bogeyed 3. Had to make a decent putt for par on 4. Bad drive on 5. Made a long putt, and that's what kind of got me going because I hit a good shot on 6, made a really nice up-and-down on 7.

Just a couple times I had to save par and I did, and when I had a chance to be aggressive I felt comfortable doing so.

**Q. You've had some really good success on this course, especially the last few years. What is it about this course that brings that out?**

BRIAN HARMAN: I'm pretty comfortable driving it around here. I some guys get in between driver and 3-wood a lot, don't really know which one. I'm pretty comfortable with

# RBC Heritage

both around here and don't mind playing a little more aggressive on some of those holes.

You really have to think your way around this place. It's not just a bomb-and-gouge. I'm not a bomber. Bomb-and-gouge places I feel like I've got to be perfect, whereas here I feel like I can think my way around and stay in it a little longer.

**Q. Can you walk us through the chip on 17?**

BRIAN HARMAN: Yeah, so it's a bad number off the tee. I'm right in between 6-iron and 7-iron, and tried to kill a 7. Hit it just like I wanted to, just come up a little short. Long of that flag is no good.

It's not a simple bunker shot, but it's a good spot to miss it. Just a little left to right and just hit it just like I wanted to.

**Q. Talk to me a little bit about your mindset going into tomorrow.**

BRIAN HARMAN: Yeah, I won't think about tomorrow until tomorrow. I'll go spend the afternoon with my wife and kids and we'll have a nice -- I think we're going to go over to Russell Henley's house. They've got a place on the beach, so watch our kids run around the beach and then wake up tomorrow and hopefully have a great day.
