Quick Quotes

Q. 62 today, one off tying the course record. Can you just talk about your round? How good does it feel to shoot that, and what was working?

MICHAEL KIM: Yeah, kind of got into a nice flow with Jason. He got off to a really fast start, and I was just trying to hang on with him.

I think the birdie on 9 really kind of kick-started into more than a good round and was able to make some nice birdies coming in. Always nice to finish on a good note on Sunday.

Q. Only 20 putts today; that's your new best on TOUR. I think 22 was your best before. What was working putting-wise or was it all the approach game that was dialed in?

MICHAEL KIM: Putting was great. I feel like I putted better just watching Jason putt. Kind of focus and concentration, the speed that he has, and I just kind of fed off of it really nice.

Q. You mentioned earlier in the week, I think it was your 3-wood you didn't have and you had to borrow one from Max. Were you still using that one today, or did you already get that figured out?

MICHAEL KIM: It worked fine on Thursday, and then I think the honeymoon phase was over, and it started getting really bad Friday. I hit it awful yesterday.

I hit one of the other backups that I was sent on Thursday, and I hit it much better today. Still trying to find a replacement for my old 3-wood, which I really liked.

Q. How did the course play this morning compared to the last three days? Did it play much easier?

MICHAEL KIM: I think it was pretty similar. In the morning we really had no wind, and then on the back nine it started to blow a little bit. Hopefully it blows even more in the afternoon.

But it wasn't playing too different. The wind direction changed a little bit, but it wasn't too different.
