## Si Woo Kim

### Quick Quotes

# RBC *Heritage*

**Q. Great week; looks like you're going to finish in third. Talk about the challenge that today presented with the weather.**

SI WOO KIM: Yeah, it was a great round. Everything I did great, and then tried my best. It was really tough the last three holes, especially the winds gusted. Yeah, it was a good week.

Kind of a little frustrated the last three holes, but yeah, it was a good week.

**Q. Is there anything that you think you could have tried differently today, or do you think you stuck to the game plan?**

SI WOO KIM: No, I played a really great front nine. I never did like mistakes much, only left a couple putts a little bit short. But it was a little bit downhill, so hard to hit it hard. Everything was okay except the last three holes I tried a little push it to the birdie, but didn't go through well. But it was a good week. It was a positive week.
