### Quick Quotes

**Q. Doc and Sam, nice playing out there. Nice finish there, eagle at 7, birdie there at 9. What was the key for you guys out there today?**

DOC REDMAN: I think we both played really well, and that freed us both up. We were both in it really solid. It was just a matter of time before we both made birdies.

**Q. Sam, you guys got dressed very similar, pink on top, Navy Blue on the bottom. Did you guys plan this before you got to New Orleans or once you got here?**

SAM RYDER: We had a brief talk about it before we flew out here. We're coming from the same area in Jacksonville, so we were kind of like coordinated a little bit. We're not going to try and get overly matchy, but just trying to get everything dialed in.

**Q. You guys are in the Northeast Florida area, you play a lot of golf together, practice a lot. Is that what led to this sort of pairing?**

DOC REDMAN: Definitely. We've been good friends for a while. We play a bunch. We just always have fun together. I think that's what this event is about.

We're here to win, but we're here to have a good time.

**Q. Sam, one bogey on your card today. What happened out there?**

SAM RYDER: Yeah, my partner -- I knew -- it's like we joke about it, but I said it after he hit his drive, oh, this is Doc's favorite hole because he typically pipes a drive on that hole. I just kind of honestly just got a little careless there and flared one and made a bogey.

All in all, it was just he was teeing off first. He was putting the ball in the fairway consistently. I was putting it in the fairway. We just hit a lot of greens together, and it was just a very -- he was hitting some good shots on the par-3s,

and it allowed me to be a little bit more aggressive with my shots.

We had a good thing going last year, and we're just keeping it rolling.
