Quick Quotes

Q. Talk about today and what is it about this course that really suits your game because you played terrific, bogey-free, 6-under at this place. That's a heck of a day?

TOM LEWIS: Yeah, I played well out there today. I drove the ball better yesterday, finished poorly, that was a shame. But everything was going the right way today. I holed some good putts on 6 and 7 there, which obviously helped the score. But yeah, it's a good course and the greens, I obviously seem to be rolling the ball really well and the greens are perfect.

Q. What is it about this time of year that's making it just a little easier, because there's some good scores out there that we have never seen in the past?

TOM LEWIS: I think obviously I'm not a veteran or anything out here but I know that the rough is meant to be quite thick up here and it's just not, it's just not thick out there at all. There's a couple of patches where you could get some bad lies, but all we're really focusing on is whether it's going to fly and it's probably why the scoring's a little bit better than usual.

Q. Are you thinking about winning after two rounds or is it way too early he to be thinking about that?

TOM LEWIS: No, no, I'll be happy to just keep playing well. And two rounds under par -- don't know what the weather's like over the weekend -- but if it's like this, if I can shoot in the 60s both times, I would be happy, and wherever that is, then that would be great.
